

STATEMENT OF RECEIPTS ONLY

POLITICAL ACTION COMMITTEE W.S. 22-25-106

A committee formed before any primary, general or special election is required to file a statement of receipts at least seven (7) days before the election current to any day from the eighth day up to the fourteenth day before the election. The committee shall also file a statement of receipts and expenditures within ten (10) days after a primary, general or special election. Reports shall be filed with the appropriate filing office. A committee formed after an election to defray campaign expenses incurred during a previous election, and any ongoing committee, shall file an itemized statement of receipts and expenditures on December 31 of each odd-numbered year and shall continue to make the reports until the committee terminates.

The general rule is that a political action committee should note and keep track of all campaign contributions no matter how small. The law only requires you to itemize on this form contributions (receipts) totaling \$25.00 or more. However, please keep in mind that if you receive \$10.00 from a contributor who then later gives you \$20.00, you must report the total \$30.00 contribution on this form.

A violation of the campaign reporting provisions of the Wyoming Election Code may constitute a misdemeanor and be punishable by not more than six (6) months imprisonment in a county jail, a fine of not more than \$1,000.00 or both. W.S. 22-26-112.
